

State Democratic convention tonight has practically settled the proceedings of tomorrow's convention. According to the caucus, everything goes the way of the silver wing. The platform will declare unqualifiedly for the free and unlimited coinage of silver at the ratio of 16 to 1.

MORE SILVER DELEGATES.

Ohio Democrats Bring New Candidate in the Field.

COLUMBUS, O., June 24.—The Democratic State convention adjourned tonight after being in session continuously all day. It was primarily a silver convention, and "secondarily for the building of a boom for John R. McLean for the presidential nomination at Chicago. Of the 673 delegates 542 voted for free silver and 618 for McLean. Three men were mentioned by the delegates as Ohio's favorites for the Chicago nomination—McLean, Campbell and Bookwalter. Ex-Governor Campbell had been a favorite until the silver tidal wave struck the State, but he was considered too conservative on the silver question.

FOR SILVER AND MATTHEWS.

Indiana White Metalists Carry State Convention.

INDIANAPOLIS, June 24.—The Democratic State convention was the largest ever held in the State. The silver men captured everything, instructing their Chicago delegates to stand "thick and thin" by the most extreme silver plank, and for the nomination of Claude Matthews for the presidency.

Whitney Declines to Run.

NEW YORK, June 21.—William C. Whitney today made public a statement in which he defines the political situation, makes his position clear as regards his decision to remain in this country instead of going to Europe, and concludes by saying that he is not a presidential possibility; that "if nominated he would not run, and would not serve if elected."

Stevenson Will Go to Chicago.

CAPE MAY, N. J., June 23.—Vice President Stevenson, accompanied by Mrs. Stevenson, Miss Stevenson and Lewis Stevenson, arrived at the Stockton Hotel this morning. Mr. Stevenson will leave his family at the seashore and attend the Chicago convention, returning for a protracted stay.

Victoria's Long Reign.

LONDON, June 30.—Little public notice has been taken of the fact that Queen Victoria today enters upon the sixtieth year of her reign over this kingdom. Personal telegrams of congratulation have been showered upon her from many quarters and a new statue of her majesty was unveiled in London. Should she survive another year—and there is no good reason to fear otherwise—the completion of her sixth decade upon the throne, no doubt, will be splendidly commemorated. There is some talk of taking public notice in September next of the date when she will pass the record of the longest previous reign by any British sovereign. George III. was King nominally for fifty-nine years and ninety-seven days, but for the last ten years of his reign he was monarch only in name. Victoria will pass that limit on September 25th. The Queen must live until she is 90, however, in order to pass the longest European record. Louis XIV. governed—or misgoverned—France for seventy-two years.

Trouble in Cape Town.

CAPE TOWN, June 24.—The Natal contingent today defeated with heavy loss 2,000 Mashonas.

LONDON, June 25.—Dispatches from Cape Town announce that Salisbury has been relieved by the arrival of a small body of imperial troops, bringing a Maxim gun, rifles and ammunition.

A Cape Town dispatch to the Times says that John Hays Hammond will sail from there for home today. The dispatch also says: "A telegram from Salisbury says the whole country about that point has arisen, and relief is anxiously awaited, many outlying places being defenseless. Stations along the Umalt and Salisbury road have been attacked and Mutondella's store has been looted and six of its defenders killed. A number of isolated men along the road have also been killed. It is feared that 50,000 Martini cartridges fell into the hands of the rebels."

Cure for Leprosy.

FORT SCOTT, Kan., June 21.—Mayor C. M. Bowie of White Castle, La., has written to Dr. Dolphin of this city, who claims to have discovered a cure for leprosy, asking him to demonstrate his cure at the leprosy hospital six miles from White Castle. The doctor will leave on Tuesday for that place. There are about twenty patients slowly dying of this disease at the hospital, the mayor says, and the doctor assures him that he can cure them.

NEW YORK, June 21.—The Advertiser tomorrow morning will say: Information received in this city today direct from the scene of the Cretan revolution against Turkey, by Solon Vlieto, editor of the Greek newspaper Atlantis, shows that the Turkish troops are restoring to atrocities which troop in point of bloodiness their terrible barbarities in the Armenian war.

According to these advices the Cretan revolutionists, who now number about 15,000 men, all well equipped, are daily gaining in strength, and, with the aid they are receiving from Greece, the probabilities are that the Cretans will be successful in gaining independence.

W. W. DIMOND.

Our advertisements in the daily papers attract more wanters than we know what to do with at times, but they are indulgent with us and if they cannot be waited on the minute they get in the store there are attractive bits of crockery and glassware to occupy their attention for a few minutes. It's the shoppers and buyers that make us happy. If the rush continues the force of clerks will be enlarged. Advertising suits us.

If it is a steak or a chop, it's all the better for broiling, if you have the right sort of broiler. The Unique is the one that broils both sides with least trouble. No danger of burning fingers with a Unique.

Every housewife uses raisins to a degree in cooking; the bother has been in the seeding. An Automatic seeder will seed a pound in five minutes and all the machine costs is a dollar and a half.

The Columbia Egg Beater goes to you for a quarter another style, works quicker and has a graduating glass costs 60 cents, but it is worth the difference.

The patent chimney cleaner cleans the glass at one movement of the hand and prevents possibility of breakage. Don't cost much, but it's worth a dollar.

Sale Deposit Boxes

WE HAVE A FEW MORE BOXES

in our Safe Deposit Vault which are not yet rented. There are four sizes, varying in price from \$12 to \$30 per year. Any private papers left in these boxes are perfectly safe, as the vaults are fire-proof and are fitted with time locks, which makes them absolutely burglar-proof. There are two keys to each box, both of which are given to the party renting box, and should these keys be stolen they would be useless to bearer, as he could not open the box without our master-key being first inserted.

Parties leaving the Islands for their summer vacations will find it a convenient place to leave any valuables. Boxes can be rented by the month or year as desired. Apply to
